Plan for Districtwide Sustainability

Public Presentation of the First Draft

When: Tuesday, Jan. 15, 2019 5:00-7:00pm

Where: Malibu Middle and High School
Library – 30215 Morning View Drive, Malibu, CA
90265

Learn: How the plan was developed, its strategic focus areas, and how it will integrate with education to support a healthier environment for the entire community.

The Santa Monica-Malibu Unified School District Plan for Districtwide Sustainability will lay out a roadmap for:

- **Uniting** SMMUSD's many existing sustainability initiatives
- **Incorporating** sustainability into Education Services and all aspects of student learning
- **Integrating** climate protection, resource efficiency, waste management, and other crucial sustainability practices into District operations
